

Employment and Training Services Directory

September 2017

Introduction

Through the Ministry of Labour, the following programs and services are provided to help workers find and keep jobs, get training, and adapt to a changing labour market.

The Employment and Training Services Directory is organized alphabetically by community. To confirm availability and register for programs and services, please contact the agencies listed.

Information on other career and employment training supports can be accessed through a Career Advisor at the Alberta Career Information Hotline:

- Phone: 1-800-661-3753 (toll-free in Canada) or 780-422-4266 (in Edmonton)
- Online: [Submit an e-Question](#)

Please note, this directory is updated monthly; however, information is subject to change without notice and may not be all-inclusive. If you have questions about the information, please contact the service provider or the Alberta Career Information Hotline.
